

MEMORANDUM TO THE FAKE NEWS CORPORATE MEDIA

To those in the propaganda press stringing words together to manufacture narratives attacking General Mike Flynn, the following are statements that can be used in their entirety and with attribution to General Flynn as to what he believes, or not at all.

I am fearless about my love for my faith and my country.

I am fearless about practicing my Roman Catholic religion and have been my entire life, as well as being a follower of Jesus Christ.

I am fearless about my stand as a pro-life, pro-family, pro-Bill of Rights, pro-US Constitution, and pro-American.

I am fearless in my belief in the golden rule; treat others the way you want to be treated.

I am fearless in my belief that true friends endure forever.

I am fearless in my belief that our country was established on a set of Judeo-Christian principles and values, and I am fearless in my beliefs about these American values.

I am fearless in my belief that there is an ongoing war on Christianity in America, and I believe it is destructive and dangerous for future generations.

I am fearless in my belief that our children are under constant pressure and, at times, attacked by destructive forces stealing their opportunity to be children.

I am fearless in my belief that America is NOT an atheist country, and wherever that idea came from, please take it back from whence you came—It is NOT in our Constitution!

I am fearless in my belief that we should worship God and not celebrities.

And finally, “QANON” is made up, possibly created by elements in our government, to distract from the real issues facing Americans today; the opposite of a Christian nationalist is an atheist globalist, and I believe that one day we will be judged for our actions here on earth, so be strong in your faith, words, and deeds.
